## REMARKS

This is intended as a full and complete response to the Interview Summary concerning an interview held on April 25, 2007, between Examiners Chelcie Daye and Sana Al-Hashemi from the USPTO and Chin (Jimmy) Kim and Eamon Wall, the Applicants' representative.

Applicants' representative thanks the Examiners for the courtesies extended during the interview and for taking time out of the Examiners' busy schedules to speak with Applicants' representative.

Applicants' representative acknowledges the summary of the Substance of Interview in the Interview Summary mailed on April 30, 2007. Of note, the Applicants' representatives disagreed with the citations referenced by the Examiner not because they did not read exactly upon the claim language of the argued limitation. Rather the Applicants' representatives disagreed with the citations referenced by the Examiner because the Applicants' representatives did not believe citations to the provisional provided by the Examiner supported the argued limitation cited in the non-provisional application regardless of how the citation was interpreted.
